RAVING ABOUT Noosa...

NOOSA IS ONE OF QUEENSLAND'S UNFORGETTABLE WEDDING DESTINATIONS.

Its stunning beach back drop, soft white sand and intimate tree top locations are only a few reasons why brides come from near and far to exchange vows with their loves. Noosa is a peaceful yet exuberant playground for friends and family to enjoy pre and post wedding celebrations. Treat the boys to a morning of bonding on jet skis along the Noosa River; stand up paddle boarding through the canals or a round of golf at Noosa Springs. Meanwhile Ladies, allow the genius hair and make up artists to bring beauty to life in one of the many luxurious day spas, whilst sipping champagne. Why choose Noosa for your destination wedding location? Because every bride deserves the day in which memories are made, dreams become reality and Love is shared.

Noosa

WEDDING ORGANISATION

Noosa remains a community of warm and friendly people, where the stresses of city life can be left behind. As one bride said..."Organising your Noosa wedding from interstate really means you invest a lot of faith in someone to do their job and everyone we dealt with from the Noosa Wedding Organisation exceeded our expectations! They were all so professional, reliable and easy-going. Nothing was too much an ask"

The Noosa Wedding Organisation is a not-for-profit Organisation of local wedding suppliers who have joined together to promote Noosa as a premier wedding destination. The Organisation members are a close team of professionals all working together on achieving the same outcome; a dream wedding day for each unique bride. We are friendly, informal and run by volunteers.

Our success comes from our members who are all a wealth of knowledge to the industry, reliable, professional and passionate about Noosa Weddings. We get to know each other by networking with monthly coffee mornings, and evening network nights.

We are far from a competitive bunch and in fact support each other in our professions to help benefit the industry.

CEREMONY Locations

The Noosa area has some of the most iconic and world renowned photographic locations for your wedding day, equal to anywhere in the world. Our most recognised sites are situated along the beautiful Noosa Boardwalk, with grass or sand underfoot, Casuarina trees offering shade above, and the Noosa Heads main beach and across to the Coloured sands behind.

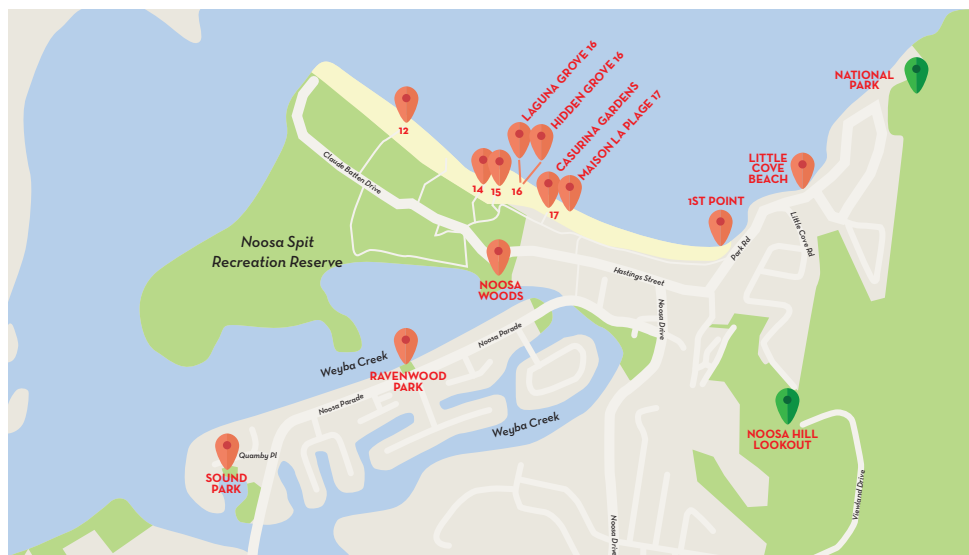

NOOSA HEADS

CEREMONY LOCATIONS

Noosa Main Beach is the most popular area for Noosa wedding ceremonies. There are a variety of locations to choose from between beach access #12 and Maison La Plage Grove at Beach access #17, which are all gorgeous places to get married.

Empire Art Photography

These locations require permits. To book any of these beach or park locations for your ceremony you will need to contact the Noosa Council - www.noosa.qld.gov.au/weddings-ceremonies (Service & Facilities / Permits, Licences and Forms) or call 07 5329 6500.

Note: Weddings are not permitted on the beach between 1st Point and Beach Access 12

For these locations, ceremonies need to be registered with the Department of National Parks, Sports & Racing (not the council). Both of these locations require a permit and can be obtained from the Department of National Parks, Sports & Racing. Strict restrictions now apply. For latest rulings visit www.npsr.qld.gov.au

MAISON LA PLAGUE | CAPACITY UP TO 200

This is the most popular ceremony location for 100+ guest list weddings and is the most manicured of the beach ceremony spots. With a beautiful green lawn surrounded by native trees & bushes it really is a must to consider for your special day.

HIDDEN GROVE | CAPACITY UP TO 100

A private ceremony location hidden amongst the trees, while still being close to the Hastings St restaurants and cafés, this is the second most popular spot for Noosa Beach ceremonies.

BEACH ACCESS #12 | CAPACITY UP TO 60

This is the most private spot on Noosa Main Beach as there are less people that frequent this section of beach. Perfect for intimate weddings when you want to have the sand between your toes and have a beautiful view of both rock walls.

BEACH ACCESS #14/15 | CAPACITY UP TO 80

With native trees scattered throughout the clearing and a beautiful view of the beach, this is a lovely spot for a wedding ceremony. In the late afternoon, there is gorgeous golden light spilling through the trees, giving a beautiful & warm feel to this location.

CASUARINA GARDENS | CAPACITY UP TO 60

For those who prefer a more natural spot for their ceremony, Casuarina Gardens should be at the top of your list. The Casuarina trees that give it its name provide a relaxed feel for this spot while still having a lovely view of the beach through the trees.

TO VIEW IMAGES OF THESE LOCATIONS GO TO WWW.NOOSAWEDDINGS.ORG

LITTLE COVE | CAPACITY UP TO 20

Little Cove is a truly special place to tie the knot, with a wooden staircase leading down to this stunning beach surrounded on either side by natural rock formations. This spot is recommended for intimate weddings due to parking limitations and is only suitable during an outgoing tide from half-tide onwards.

NOOSA WOODS | CAPACITY ANY SIZE

With plenty of room to suit any sized wedding, Noosa Woods is a great ceremony location to consider especially in October when onshore winds can be a problem on Noosa Main Beach. It is a relatively sheltered park area with a beautiful wooden jetty that many people use to send their guests on a boat cruise on the Noosa River.

NOOSA NATIONAL PARK | CAPACITY UP TO 20

Permits can be obtained from the Department of National Parks, Sports & Racing. Strict restrictions now apply so check for latest rulings.

LAGUNA LOOKOUT |

On top of Noosa Hill with views over Main Beach, the river and Hinterland. Access by car via Viewland Drive. Ceremonies need to be registered with the Department of National Parks, Recreation, Sports & Racing.

FIRST POINT PATHWAY | CAPACITY UP TO 20

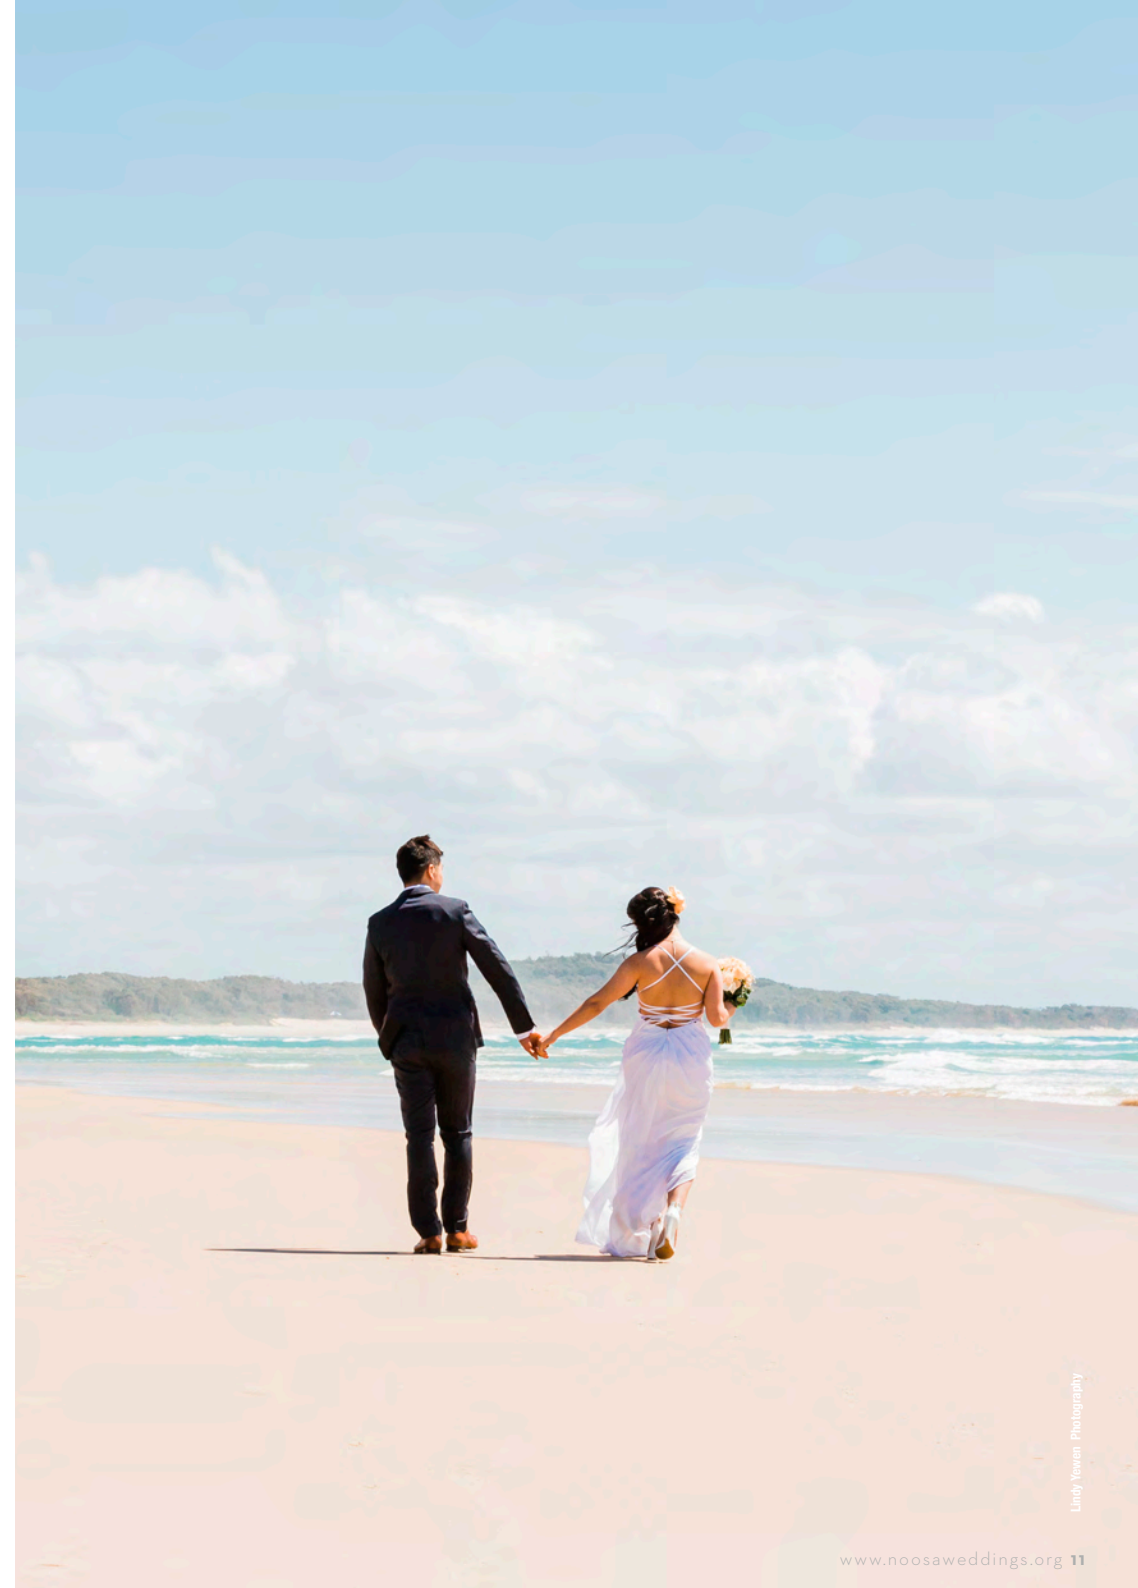

Popular with surfer couples, First Point Noosa is suitable for smaller gatherings. Like Little Cove Deck, it can be quite bright late in the day, so consider early mornings or right on sunset are for softer light.

SOUND PARK |

On the river at Quamby place next to Ricky's Restaurant shaded by tall gum trees. It also has a jetty for river access.

SUNSHINE, CASTAWAY & PEREGIAN BEACH | CAPACITY VARIES

Beautiful beaches just south of Noosa with many access points available. Most parts of the beach feature rolling sand dunes leading onto a vast stretch of beautiful white beach. Being exposed ocean beaches you can expect it to be windier and the sound of the waves to be much louder than Noosa Main Beach on sheltered Laguna Bay.

NOOSAVILLE & TEWANTIN

CEREMONY LOCATIONS

There are a number of beautiful riverfront and park locations available for wedding ceremonies in the Noosaville and Tewantin area. Many have access to river transport to go to a riverfront reception or simply as a treat for your guests.

Lindy Yewen Photography

These locations require permits. To book any of these beach or park locations for your ceremony you will need to contact the Noosa Council - www.noosa.qld.gov.au/weddings-ceremonies (Service & Facilities / Permits, Licences and Forms) or call 07 5329 6500.

For these locations, ceremonies need to be registered with the Department of National Parks, Sports & Racing (not the council).

Both of these locations require a permit and can be obtained from the Department of National Parks, Sports & Racing. Strict restrictions now apply. For latest rulings visit www.nprsr.qld.gov.au

NOOSA MARINA | CAPACITY UP TO 150 GUESTS

The “helipad” at the Noosa Marina is a very popular ceremony location for those having their wedding reception at either the Riverdeck Restaurant or the Rump House. It is a beautiful river front location, close to many accommodation options as well.

CHAPLIN PARK | CAPACITY ANY SIZE

Centrally located in Noosaville, opposite the Noosa Yacht & Rowing Club. This is a popular ceremony location for those having receptions at the Waterfront restaurant.

QUOTA PARK | CAPACITY UP TO 100

A popular location for those having their wedding reception at the Boathouse Floating Restaurant. A beautiful park, right next to the river.

RSL PARK | CAPACITY ANY SIZE

Beautiful old Moreton Bay fig trees with views across the lawn to Noosa River.

LIONS PARK | CAPACITY ANY SIZE

Gympie Terrace river front between Roberts and Cloudsley Sts. Good wet weather option.

ELI PARK | CAPACITY 40

Eli Park has a lovely river platform under big gum trees behind the tennis courts.
